The **American Express** Charity Golf Tournament

To Benefit **The Valerie Fund**

Baltusrol Golf Club Home of the 2005 P G A Championship **Monday, August 16, 2010**

For over 30 years, The Valerie Fund has brought hope to children with cancer and blood disorders. Today, The Valerie Fund treats nearly 5,000 children each year. A team of expert professionals work together to provide medical, social and emotional support for the children and their families.

As the cure rate of childhood cancer continues to grow, more children need to be treated and monitored annually. As a result, more funding is needed to provide young patients and their families with quality care.

Thank you for supporting The Charity Golf Tournament at Baltusrol Golf Club. With your help, we can truly make a difference in the lives of these very courageous children.
