Our Mission

The Valerie Fund's mission is to provide support for the comprehensive health care of children with cancer and blood disorders.

Our Beginning

The Valerie Fund is a not-for-profit organization established in 1976 in memory of nine-year-old Valerie Goldstein by her parents, Ed and Sue.

Our Impact

Families turn to The Valerie Fund Centers because of the unique combination of medical care, counseling, and other services we support. The Valerie Fund Children's Centers comprise the largest network of healthcare facilities for children with cancer and blood disorders in New Jersey, and one of the largest in the nation. We host over 25,000 patient visits each year.

Close to Home

Today there are seven Valerie Fund Children's Centers for Cancer and Blood Disorders located in major hospitals in New Jersey, New York and the Philadelphia area providing caring, comprehensive, state-of-the-art outpatient health care to more than 6,000 children and their families each year. As a result, sick children are now able to receive care close to their homes.

The Whole Patient

Our philosophy is that to truly heal the children they must be treated emotionally, socially, and developmentally as well as medically.

The Entire Family

The Center's staff, including doctors, nurses, social workers, and child-life specialists, enfolds the child and the family in a blanket of ongoing, individualized care.

TheValerieFund.org

For over 40 years, The Valerie Fund has brought hope to children with cancer and blood disorders. Today, The Valerie Fund treats more than 6,000 children each year. A team of expert professionals work together to provide medical, social and emotional support for the children and their families.

As the cure rate of childhood cancer continues to grow, more children need to be treated and monitored annually. As a result, more funding is needed to provide young patients and their families with quality care.

Thank you for supporting the 21st Annual Burger King® Children's Charities Golf Classic. With your help, we can truly make a difference in the lives of these very courageous children.

REPRESENTING THE VALERIE FUND

Barry Kirschner
Executive Director

The BURGER KING® Franchisee Children's Charities Committee at Work:

The BURGER KING® Franchisee Children's Charities Committee established in 1998, whose sole purpose was to raise funds that would support the needs of all children in the metro New York area. Our special emphasis has been in the field of Pediatric Oncology. For the past 20 years we have made sizable donations to such prestigious organizations as the New York-Presbyterian Morgan Stanley Children's Hospital, the HAVE IT YOUR WAY® Foundation as well as to The Valerie Fund. With your help and the support of Burger King Corporation, our vendors, patrons and restaurant employees, we have been proud to donate almost \$2,500,000 to our recipient organizations. On behalf of the children we serve, our heartfelt thanks to all have joined with us in our charitable efforts.
