

# SUPPORT THE VALERIE FUND AND HOST A COMMUNITY OUTREACH DAY

**“YOU MAKE A LIVING BY WHAT YOU GET, BUT YOU  
MAKE A LIFE BY WHAT YOU GIVE.”**

Taking the time to give back empowers individuals and strengthens communities. Outside the office, your staff can channel their energy and passion for the benefit of a noble cause---making a difference in the lives of some very brave children.

## **MEANINGFUL VOLUNTEER SERVICE AND A HELPING HAND TO OUR NON-PROFIT.**

Your employees' donation of time to important “behind-the-scenes” activities helps The Valerie Fund successfully raise funds and awareness. To kick off a day of Community Outreach, The Valerie Fund will provide volunteers with a comprehensive look at our charitable organization. An enriching experience that will have a tangible impact on our largest fundraising initiative—  
**The 2017 Valerie Fund Walk & JAG Physical Therapy 5K Run.**

Learn more about our walk at [www.thevaleriefund.org/walk](http://www.thevaleriefund.org/walk)

## **GIVE CLOSE TO HOME SO CHILDREN CAN BE TREATED CLOSE TO HOME.**

Dedicating volunteer hours in communities that your company serves supports The Valerie Fund's efforts to treat children with cancer and blood disorders from those same communities. The Valerie Fund's mission is to bring top-notch health care services to children and families at Centers that are close to their homes.
